

Virtually Everywhere

Has over 11 years of experience in web design and development, graphic design and proposal coordination.

WEB AND GRAPHIC CONSULTANT

2000 – present: **Micro Jenisys, Inc.**, Virginia

Designs sophisticated web site layouts using various tools. Also creates various graphic design materials for new and existing companies. Below is a sample of sites to show a wide-range of skills:

Las Olas Beauty - Site redesign that required a sophisticated and cutting edge image for this popular salon and beauty boutique.
www.lasolasbeauty.com

ProPilates - Successfully faced the challenges of redesigning this site into an organically soothing layout, that features important information and links in a welcoming format.

Kindra Style - Capturing the essence of a high-fashion stylist, this timeless but trendy design showcases the client's portfolio.
www.kindrastyle.com

Partners in Education - Designed a portal layout for Broward County's business partnering division. Filled with bright colors but organized sections, users can navigate easily to become a partner. www.browardpartners.com

Advantage Settlement - Clean and easy-to-navigate design for this residential title and settlement company. www.advantagesettlement.com

Inquisit, LLC - Designed a crafty logo that attracts the technical audience in both the government and federal industries.
www.inquisitllc.com

Tammy Bland - Business card layout for a hair color specialist wanting a chic and stylish image.
